Union of Czech Mathematicians and Physicists (JČMF)
and
Real Sociedad Matematica Española (RSME)

In accordance with all bylaws and regulations governing both Societies "articles 3.6, 9.d) and 23.5 of the RSME, and 1.5.g of the JČMF", and after consultation and approval of their respective governing bodies, the president of the RSME and the president of the JČMF hereby sign this Reciprocity Agreement.

1. The JČMF recognizes to all members of the RSME in good standing, the right to become Reciprocity Members of the JČMF. The annual membership fee will be equivalent to 50% of the annual fee charged to JČMF members. The Reciprocity Members may become members of the Czech Mathematical Society (CMS), section of JČMF, again at 50% of the annual fee charged to regular members of CMS.

2. The RSME recognizes to all members of the JČMF in good standing, the right to become Reciprocity Members of the RSME. The annual membership fee will be equivalent to 50% of the annual fee charged to RSME members.

3. Each Society may, if it finds this more economical, invoice the reciprocal fee of the other Society to its members together with its own annual membership fee. In this case all reciprocal membership fees collected will be sent annually to the reciprocal Society.

4. Both societies agree to share all necessary data regarding reciprocity members so that to avoid problems of unpaid membership fees. To this effect a suitable mechanism will be implemented.

5. The JČMF and the RSME agree:

   - To exchange periodical publications.
   - To exchange invitations to all relevant activities organized by each society.
   - To keep frequent contacts aimed to the study and solving of problems associated with teaching and research in mathematics.
   - To organize joint events.
   - To carry out all necessary tasks to facilitate the exchange of researchers and graduate students between both countries.

6. This present agreement will lose its validity by lack of fulfillment of its objectives or by simple request of one of the societies, as long as it has the approval of the appropriate governing bodies and be communicated early in advance.

This agreement is signed simultaneously by the Presidents of both Societies in the cities of
